

- Detailed information about academic assessment and progress for undergraduate and postgraduate students, is set out in the appropriate '[Handbook and Regulations](#)'. These regulations are standard across all students whether funded via Financial Aid or not.
- Where a student disagrees with an academic outcome they are entitled to appeal, via the [University's Appeal Process](#). Please note this is a separate process to appealing the loss of Financial Aid eligibility (please see below).

b) Postgraduate Research Students

- Students are required to submit monthly reports and achieve the appropriate milestones as laid out by the Doctoral College.
